## New Beginnings

A/N: Hello and welcome to my story! I have made two characters that are OC characters, one of the characters is one of my friends on Fanfiction (***Mrs Richie Wheeler***), her characters named Lacey Harrington while my OC character is Quinn Henderson, the kids all know about Lacey, while she knew Dustin way more then the rest and both OC characters are informed about the Demogorgon and Demodog but besides that I hope you enjoy!

New Beginnings

*Over at Harringtons*

*Steve watches his little sister picking a jacket to impress someone in mind*

**Steve:** Could you hurry up Lacey? I'm sure that Dustin will love it no matter what you wear.

*Lacey looks at Steve with anger and embarrassment*

**Lacey**Well at least I'm not pretending to see Dustin just so I can see Nancy!

*Steve glances at Lacey and blushes while she laughs and smiles evilly*

**Steve:** Whatever, just put a jacket on!

*Lacey sighs and puts a dark green jacket on then gets into the car and drive to Mikes house*

**Steve:** Why do you even have feelings for Dustin? I mean not in a bad way...

**Lacey:** I don't know, it just happened, okay? Can we just not talk about it...

*Steve looks at Lacey and nods his head*

**Lacey:** Thanks, brother...

*15 minutes later*

**Steve:** Looks like we're here, we better get out the car and go in.

**Lacey:** Alright then, Mr Obvious.

*Lacey and Steve get out the car and knock on the door, a few seconds later, Mike comes out*

**Mike:** Oh, hey guys! Nancy is upstairs for your information, Steve!

*Steve looks at Mike blushing over what he said*

**Steve:** What makes you think I wanna hang out with Nancy?

**Lacey and Mike:** Just go already!

*Steve smiles with glee at both of them*

**Steve:** Thanks guys!

*Steve runs upstairs and screams Nancy while Mike and Lacey laugh at him*

**Mike:** Well, come on in, Lacey!

**Lacey**Why, thanks Mike.

*Lacey and Mike go down the basement and Lacey greets all the kids*

**Lacey:** Hey guys!

*Dustin notices them and smiles*

**Dustin:** LACEY!!!

*Lacey looks at Dustin and blushes but smiles with glee*

**Lacey:** D-Dustin!

*They both share a big and comfortable hug*

**Dustin:** It's been so long, you look amazing. I've missed you!

*Lacey giggles and blushes*

**Lacey:** T-Thanks, I missed you too!
